- (D) The Settlement Date is not extended by any other provision of this Agreement and may only be extended by mutual written agreement of the parties.
- (E) Certain terms and time periods are pre-printed in this Agreement as a convenience to the Buyer and Seller. All pre-printed terms and time periods are negotiable and may be changed by striking out the pre-printed text and inserting different terms acceptable to all parties, except where restricted by law.

6. **ZONING** (4-14)

Failure of this Agreement to contain the zoning classification (except in cases where the property {and each parcel thereof, if subdividable} is zoned solely or primarily to permit single-family dwellings) will render this Agreement voidable at Buyer's option, and, if voided, any deposits tendered by the Buyer will be returned to the Buyer without any requirement for court action.

Zoning Classification, as set forth in the local zoning ordinance: RESIDENTIAL

7. FIXTURES AND PERSONAL PROPERTY (1-20)

- (A) It is possible for certain items of personal property to be so integrated into the Property that they become fixtures and will be regarded as part of the Property and therefore included in a sale. 8. BUYER FINANCING (8-22)

- (A) Buyer may elect to make this Agreement contingent upon obtaining mortgage financing. Regardless of **any** contingency elected in this Agreement, if Buyer chooses to obtain mortgage financing, the following apply:
 - 1. Buyer will be in default of this Agreement if Buyer furnishes false information to anyone concerning Buyer's financial and/or employment status, fails to cooperate in good faith with processing the mortgage loan application (including payment for and ordering of appraisal without delay), fails to lock in interest rate(s) as stated below, or otherwise causes the lender to reject, or refuse to approve or issue, a mortgage loan.
 - 2. Within _____ days (7 if not specified) from the Execution Date of this Agreement, Buyer will make a completed mortgage application (including payment for and ordering of credit reports without delay) for the mortgage terms and to the mortgage lender(s) identified in Paragraph 8(F), if any, otherwise to a responsible mortgage lender(s) of Buyer's choice. Broker for Buyer, if any, otherwise Broker for Seller, is authorized to communicate with the mortgage lender(s) to assist in the mortgage loan process. Broker for Seller, if any, is permitted to contact the mortgage lender(s) at any time to determine the status of the mortgage loan application.
 - 3. Seller will provide access to insurers' representatives and, as may be required by mortgage lender(s), to surveyors, municipal officials, appraisers, and inspectors.
 - 4. If the mortgage lender(s) gives Buyer the right to lock in interest rate(s) at or below the maximum levels desired, Buyer will do so at least 15 DAYS before Settlement Date.
- (B) The Loan-To-Value ratio (LTV) is used by lenders as one tool to help assess their potential risk of a mortgage loan. A particular LTV may be necessary to qualify for certain loans, or buyers might be required to pay additional fees if the LTV exceeds a specific level. The appraised value of the Property may be used by lenders to determine the maximum amount of a mortgage loan. The appraised value is determined by an independent appraiser, subject to the mortgage lender's underwriter review, and may be higher or lower than the Purchase Price and/or market price of the Property.

(C)	It is expressly agreed that notwithstanding any other provisions of this contract, Buyer will not be obligated to complete the pur-
	chase of the Property described herein or to incur any penalty by forfeiture of earnest money deposits or otherwise unless Buyer
	has been given, in accordance with HUD/FHA or VA requirements, a written statement by the Federal Housing Commissioner,
	Veterans Administration, or a Direct Endorsement Lender setting forth the appraised value of the Property of not less than
	\$ (the Purchase Price as stated in this Agreement). Buyer will have the privilege and option of
	proceeding with consummation of the contract without regard to the amount of the appraised valuation. The appraised valuation
	is arrived at to determine the maximum mortgage the Department of Housing and Urban Development will insure. HUD does
	not warrant the value nor the condition of the Property. Buyer should satisfy himself/herself that the price and condition of the
	Property are acceptable.

261		following Act(s) (see Notices Regarding Land Use Restrictions below):
262		Agricultural Area Security Law (Right-to-Farm Act; Act 43 of 1981; 3 P.S. § 901 et seq.)

267		2. Notices Regarding Land Use Restrictions
268		a. Pennsylvania Right-To-Farm Act: The property you are buying may be located in an area where agricultural operations
269		take place. Pennsylvania protects agricultural resources for the production of food and agricultural products. The law limits
270		circumstances where normal agricultural operations may be subject to nuisance lawsuits or restrictive ordinances.
271		b. Clean and Green Program: Properties enrolled in the Clean and Green Program receive preferential property tax assess-
272		ment. Buyer and Seller have been advised of the need to contact the County Tax Assessment Office before the execution
273		of this Agreement to determine the property tax implications that will or may result from the sale of the Property, or that
274		may result in the future as a result of any change in use of the Property or the land from which it is being separated.
275		c. Open Space Act: This Act enables counties to enter into covenants with owners of land designated as farm, forest, water
276		supply, or open space land on an adopted municipal, county or regional plan for the purpose of preserving the land as open
277		space. A covenant between the owner and county is binding upon any Buyer of the Property during the period of time that
278		the covenant is in effect (5 or 10 years). Covenants automatically renew at the end of the covenant period unless specific
276 279		
		termination notice procedures are followed. Buyer has been advised of the need to determine the restrictions that will apply
280		from the sale of the Property to Buyer and the property tax implications that will or may result from a change in use of the
281		Property, or any portion of it. Buyer is further advised to determine the term of any covenant now in effect.
282		d. Conservation Reserve (Enhancement) Program: Properties enrolled in the Conservation Reserve Program or CREP are
283		environmentally-sensitive areas, the owners of which receive compensation in exchange for an agreement to maintain the
284 285		land in its natural state. Contracts last from 10 to 15 years and carry penalties to Seller if terminated early by Buyer. Buyer
286		has been advised of the need to determine the restrictions on development of the Property and the term of any contract now in offset. Saller is advised to determine the financial implications that will or may result from the sale of the Property.
287	(E)	in effect. Seller is advised to determine the financial implications that will or may result from the sale of the Property. Real Estate Seller Disclosure Law
288	(E)	Generally, the Real Estate Seller Disclosure Law requires that before an agreement of sale is signed, the seller in a residential real
289		estate transfer must make certain disclosures regarding the property to potential buyers in a form defined by the law. A residential
290		real estate transfer is defined as a sale, exchange, installment sales contract, lease with an option to buy, grant or other transfer of
291		an interest in real property where NOT LESS THAN ONE AND NOT MORE THAN FOUR RESIDENTIAL DWELLING
292		UNITS are involved. Disclosures for condominiums and cooperatives are limited to the seller's particular unit(s). Disclosures
293		regarding common areas or facilities are not required, as those elements are already addressed in the laws that govern the resale
294		of condominium and cooperative interests.
295	(F)	Public and/or Private Assessments
296	(1)	1. Seller represents that, as of the date Seller signed this Agreement, no public improvement, condominium or homeowner asso-
297		ciation assessments have been made against the Property which remain unpaid, and that no notice by any government or public
298		authority (excluding assessed value) has been served upon Seller or anyone on Seller's behalf, including notices relating to
299		violations of zoning, housing, building, safety or fire ordinances that remain uncorrected, and that Seller knows of no condition
300		that would constitute a violation of any such ordinances that remain uncorrected, unless otherwise specified here:
301		
302		2. Seller knows of no other potential notices (including violations) and/or assessments except as follows:
303		
304	(G)	Highway Occupancy Permit
305	(-)	Access to a public road may require issuance of a highway occupancy permit from the Department of Transportation.
306	(H)	Internet of Things (IoT) Devices
307	` '	1. The presence of smart and green home devices that are capable of connecting to the Internet, directly or indirectly, and the data
308		stored on those various devices make up a digital ecosystem in the Property sometimes referred to as the "Internet of Things
309		(IoT)." Buyer and Seller acknowledge that IoT devices may transmit data to third parties outside of the control of their owner.
310		2. On or before settlement, Seller will make a reasonable effort to clear all data stored on all IoT devices located on the Property
311		and included in the sale. Seller further acknowledges that all personal devices owned by Seller (including but not limited to
312		cellular telephones, personal computers and tablets) having connectivity to any IoT device(s) located on the Property will be
313		disconnected and cleared of relevant data prior to settlement. Further, no attempts will be made after settlement by Seller or
314		anyone on Seller's behalf to access any IoT devices remaining on the Property.
315		3. Following settlement, Buyer will make a reasonable effort to clear all stored data from any IoT device(s) remaining on the
316		Property and to restrict access to said devices by Seller, Seller's agents or any third party to whom Seller may have previously
317		provided access. This includes, but is not limited to, restoring IoT devices to original settings, changing passwords or codes,
318		updating network settings and submitting change of ownership and contact information to device manufacturers and service
319		providers.
320		4. This paragraph will survive settlement.

11. WAIVER OF CONTINGENCIES (9-05)

If this Agreement is contingent on Buyer's right to inspect and/or repair the Property, or to verify insurability, environmental conditions, boundaries, certifications, zoning classification or use, or any other information regarding the Property, Buyer's failure to exercise any of Buyer's options within the times set forth in this Agreement is a WAIVER of that contingency and Buyer accepts the Property and agrees to the RELEASE in Paragraph 28 of this Agreement.

12. BUYER'S DUE DILIGENCE/INSPECTIONS (1-23)

(A) Rights and Responsibilities

- Seller will provide access to insurers' representatives and, as may be required by this Agreement or by mortgage lender(s), to surveyors, municipal officials, appraisers and inspectors; in addition, unless otherwise agreed, only Parties and their real estate licensee(s) may attend any inspections.
- Buyer may make two pre-settlement walk-through inspections of the Property for the limited purpose of determining that the condition of the Property is as required by this Agreement and any addenda. Buyer's right to these inspections is not waived by any other provision of this Agreement.
- Seller will have heating and all utilities (including fuel(s)) on for all inspections/appraisals.
- All inspectors, including home inspectors, are authorized by Buyer to provide a copy of any inspection Report to Broker for Buyer.

- (B) Buyer waives or elects at Buyer's expense to have the following inspections, certifications, and investigations (referred to as "Inspection" or "Inspections") performed by professional contractors, home inspectors, engineers, architects and other properly licensed or otherwise qualified professionals. All inspections shall be non-invasive, unless otherwise agreed in writing. If the same inspector is inspecting more than one system, the inspector must comply with the Home Inspection Law. (See Paragraph 12(D) for Notices Regarding Property and Environmental Inspections)
- (C) For elected Inspection(s), Buyer will, within the Contingency Period stated in Paragraph 13(A), complete Inspections, obtain any Inspection Reports or results (referred to as "Report" or "Reports"), and accept the Property, terminate this Agreement, or submit a written corrective proposal to Seller, according to the terms of Paragraph 13(B).

Buyer may obtain a radon test of the Property from a certified inspector. The U.S. Environmental Protection Agency (EPA) advises corrective action if the average annual exposure to radon is equal to or higher than 0.02 working levels or 4 picoCuries/liter (4pCi/L). Radon is a natural, radioactive gas that is produced in the ground by the normal decay of uranium and radium. Studies indicate that extended exposure to high levels of radon gas can increase the risk of lung cancer. Radon can find its way into any air-space and can permeate a structure. If a

(D) Notices Regarding Property & Environmental Inspections

- 1. **Exterior Building Materials:** Poor or improper installation of exterior building materials may result in moisture penetrating the surface of a structure where it may cause mold and damage to the building's frame.
- 2. **Asbestos:** Asbestos is linked with several adverse health effects, including various forms of cancer.
- 3. **Environmental Hazards:** The U.S. Environmental Protection Agency has a list of hazardous substances, the use and disposal of which are restricted by law. Generally, if hazardous substances are found on a property, it is the property owner's responsibility to dispose of them properly.
- 4. **Wetlands:** Wetlands are protected by the federal and state governments. Buyer may wish to hire an environmental engineer to investigate whether the Property is located in a wetlands area to determine if permits for plans to build, improve or develop the property would be affected or denied because of its location in a wetlands area.
- 5. **Mold, Fungi and Indoor Air Quality:** Indoor mold contamination and the inhalation of bioaerosols (bacteria, mold spores, pollen and viruses) have been associated with allergic responses.
